

## Summary of Feedback from the Students of St. Giles

### What they want from the RSE curriculum

I can tell you about the lessons we have already in school?

**Our students said we have learnt about:**

Anti-bullying, Early Warning Signs, Racism, On-line safety, my safety network, Black Live Matter, keeping our classroom tidy, our emotions, staying safe, our rights, our responsibilities, cooperation.

I have enjoyed learning about?

**Our students said they enjoyed learning about:**

Racism, Anti-bullying, online safety, Early Warning signs, our emotions, Black History Month, safe information sharing, having discussions with other, hearing others perspectives.

I would like to learn about or learn more about?

**Our students said they would like to learn more about:**

Safety, our body, hygiene, how to make friends, how to control your feelings, other people's lifestyles, how your body changes as it gets older, relationships, depression and mental health, significant people.

I know why I am taught PSHE/RSE?

**Our students said they are taught PSHE/RSE because:**

To be happy, to learn about others, to know how to be safe, how to be a good person, protect ourselves, so we are less likely to worry, conquer our fears, so we know who to talk to, for information.

The lesson could be improved by...?

**Our Students said lessons could be improved by:**

More group and practical tasks, more lessons, more research, more discussion, more videos, more creative lessons (posters, artwork, drama, role-play), real-life examples, less formal and more relaxed.
